

23RD LCI CONGRESS
OCTOBER 19-22, 2021 - PHOENIX, AZ

LEARN BY DOING FROM THOSE WHO DO

"[The LCI] Congress is a unique opportunity to interact with, and learn from, the leaders in the Lean delivery and construction movement. Each year I meet people applying Lean philosophies in innovative ways to improve their work and their projects. More than any other industry event, the LCI Congress has influenced how I approach my work and interact with the entire project team."

Michael Williams

Principal, Senior Healthcare Planner,
Stantec, 2021 LCI Congress Chair
